Community Champion Award

This award honours those who foster connection within the coffee community, whether through local engagement, industry collaboration, or initiatives that support people across the supply chain. From grassroots initiatives to global movements, this award shines a light on those building a stronger industry.

Recognises: Individuals creating positive community impact

Criteria

1. Explain your nominee's current role within the coffee and café industry
2. How does this individual champion their community outside of the employer or business?
3. Please name the supported cause/s and detail nominees' involvement
4. How has this individual contributed to the success of the initiative?
5. Why do you think this candidate is a deserving winner of this award?
