Innovator Award

Celebrates those introducing new ideas, technologies, products or business models that push the coffee industry forward and improve how coffee is produced, prepared or experienced.

Recognises: Forward-thinking individuals driving change

Criteria

1. What new idea, product, technology, or business model, have you introduced to the coffee industry?
2. How has your innovation improved outcomes for producers, operators, consumers, or other stakeholders?
3. What evidence demonstrates the success, adoption or industry success
